STATEMENT OF CANDIDACY

PRESIDENT-ELECT

CAPFAA has provided so many opportunities that I have reaped for over a decade in my career, and it has been influential in aiding growth this profession. I have been privileged to serve as conference chair in 2014 – 2015 and 20215 – 2016 and business meeting chair in 2019 – 2020 and 2023 – 2024. As we emerge from an extraordinarily challenging admissions cycle and we're all grappling with changes, CAPFAA's resources and network are more important now, than ever. The value of an entity like CAPFAA is intrinsic. I'm eager to bring new energy and vision to the future of this vital organization, given the impact on my professional growth. I aspire to increase engagement and perpetuate the mission of our association. I'd be happy to serve as President-Elect in the upcoming term to help usher CAPFAA into the future.

SINCERELY,
