

Secretary - Statement of Candidacy

Please accept this note as my official statement of candidacy for the CAPFAA Secretary position. As a member of CAPFAA since 2009, I have worn numerous hats over the years as a committee member, committee chair, and served as the CAPFAA Secretary for two consecutive terms from 2016 -2020. After pausing my activity within CAPFAA for a new role as the Director of Financial Aid at Goodwin University, I am ready to get back in and support the membership. I am currently a member of three 2023-2024 committees and believe this work, combined with my prior knowledge of this role makes me a strong candidate for this position.

Thank you,
Jenny
