

President Elect Position

I have been an active member of CAPFAA for the past 1-2 years. In that time, I have served as the organization's State & Federal Relations Committee Chair, keeping its members up to date regarding news and regulatory changes/updates. I have also moderated several panels on key financial aid issues and have developed contacts across NASFAA's State Advocacy Network. I have a great deal of respect for CAPFAA and its mission, and would like the opportunity to serve as its President-Elect.
