

## Treasurer Position

Dear Members of the Connecticut Association of Professional Financial Aid Administrators, I currently serve as the Campus Supervisor of Financial Aid for the Quinebaug Valley Campus of Connecticut State Community College, and I am honored to nominate myself for the role of Treasurer within our esteemed association. Having been a member of our organization for several years and working in financial aid for 7+, I have witnessed firsthand the dedication and passion that our members bring to the important and often overlooked work that we do. As Treasurer, I understand and embrace the responsibilities that come with this role. I am committed to fulfilling these duties to the best of my ability, in accordance with the policies approved by the Executive Council. I believe that my experience, commitment, and technical ability make me a strong candidate for this role, and I am excited about the opportunity to serve as Treasurer of our association. I look forward to the possibility of contributing to its continued success.

Thank you for considering my nomination.
