

Megan Uhrynowski Statement of Candidacy for CAPFAA Secretary

I have been an active member of CAPFAA and the financial aid community for the past two years, currently serving as Assistant Director and SHU-Online Coordinator of Student Financial Assistance at Sacred Heart University. I feel with my appreciation for the profession and for my colleagues, I will be able to effectively represent CAPFAA as Secretary. I have served on CAPFAA committees and continue to actively participate developing a deep appreciation for the value of a professional network in the student aid space. If recent events have taught us anything, it is that training and support of professional colleagues should not be taken for granted. Virtually everything can change -- when we least expect it! It often takes more than your home network to achieve mission, core values, goals and objectives. Even though I am fairly new to the profession, I have gained a lot of knowledge through the training and networking activities at CAPFAA, EASFAA, NASFAA and others. As Secretary I will work to help others gain knowledge, professionalism, and sustain connections with colleagues who are similarly fortunate to be engaged in such important, challenging, and impactful work. Thank you for considering my candidacy, it would be my honor to serve as CAPFAA Secretary.
